VTA Off-Season 2014 - 2015 Information

The VTA bus services on Martha's Vineyard offer an economical and safe way to get around the Island year-round. This Off-Season, we have added additional morning commuter trips from West Tisbury and extra Route #7 and Route #9 trips in Oak Bluffs to improve connections to Route #1, Route #6 and Route #13 buses. We hope that these new trips may prove useful to you.

Please read the route timetables carefully. Check for information on connecting buses and transfers. Remember that your transfer between routes may often mean simply staying on the same bus. If you need assistance planning your trip in advance or have questions, please contact us at the VTA and we will be happy to assist you.

The VTA encourages our passengers to communicate with our bus operators about their trip destinations. The operators will coordinate as much as possible to help you catch a connecting bus. If you have a question or need assistance during your trip, please ask the operator.

In addition to the posted stops, buses may be flagged anywhere along the routes, as long as it is safe for the bus to stop. Plan to be at the stop about five minutes before departure time. All buses are equipped with bicycle racks for two bikes. Check our *VTA Riders Guide* for details.

Although the VTA works very hard to maintain consistent transit service on Martha's Vineyard, departure times, arrival times and connections outlined in this *VTA System Route Map* are not guaranteed. The VTA will not be held responsible for missed appointments, ferries, etc. due to travel on the VTA system.

Schedules and fares are subject to change without notice. Check our website and posted schedules regularly for updated information.

How to Pay the Bus Fare

VTA buses are equipped with electronic fareboxes that accept bills and coins as payment for one-way fares or unlimited travel passes.

***Please note that the VTA does not accept credit or debit cards for fare payment.* Exact fare is strongly suggested! No cash or coins are returned from the farebox. Change is given in the form of stored value cards ONLY and is not redeemable for cash. Please do not ask the bus driver for change, as they are not permitted to handle fares. Upon boarding the bus, inform your driver of your destination and insert money into the farebox. Make sure bills (up to $20) are flat, dry and insert coins one at a time.**

Unlimited travel passes are the most cost effective and easy way to ride the VTA. One-day, 3-day and 7-day passes are sold on the buses, at the Edgartown Visitors Center and Steamship Authority terminals. Longer period passes can be purchased at the Edgartown Visitors Center or the VTA Operations Center, located in the Airport Business Park. Once your pass is validated, boarding the bus is as easy as swiping your pass in the farebox. Welcome aboard!

All fares are non-refundable and non-transferable. The VTA is not responsible for lost or stolen passes.
